- A. The departure of head coach Ashley Westwood
- B. after three fruitful years at the helm
- C. was left Bengaluru FC starting at
- D. a period of transition ahead

**Answer** - C. was left Bengaluru FC starting at

**Explanation:**

Replace "was" with "has".

After is optionally used with a past perfect sentence to emphasize which action happened second. After is followed by a clause expressing the earlier event. Past perfect contrasts the timing of two events and places emphasis on the timing of the first event which has an effect on the second event. Hence has is used.
